

Donna Stewart

Amateur Volunteer Ranch Trail Clinician and Judge

Originally from Alabama, Donna Stewart has resided in Black Forest Colorado the last 40 years. Donna is a Neonatal Nurse Practitioner who works for Children's Hospital in Denver.

Stewart was born with the horse addiction. She has owned horses all her life. She rode as a kid in 4H and local saddle clubs, then in AQHA – All-Around horses, both Western and English

events. Donna currently competes in Ranch Horse Versatility, Ranch Riding, and Reined Cowhorse events with the following organizations: NVRHA, AQHA, Ranching Heritage, and Colorado Reined Cowhorse Assn.

Stewart is the NVRHA Board Chairperson. Donna has produced NVRHA's "Rundown" magazine, since 2007.

Stewart has been the 4H Superintendent for Western National Contest, since 2005. "I like the kids – and want them to stay hooked in the horse and Ag world – 4H is a good program for that," states Donna. "I am a founding member of NVRHA and like the versatility ranch horse concept. It is the closest thing we have to an All-Around horse these days.
