

Jack McComber – Working Ranch Horse

Jack and his wife Sylvia have a place at Rocky Ford, Co. where they raise and train horses and run a few cattle. Jack also works at a feedlot and takes care of some pasture cattle. They are active in the SCCHA Cutting Club as well as the AQHA Ranching Heritage program. Jack is on the board of the RHAA as well as being a judge for the RHAA and AQHA versatility. While the children are grown and gone, if they or grandkids show up everyone is going to be horseback. It's a way of life

with home-raised horses that work for a living and then go to cuttings or cow horse events as much as possible.

Some of Jack's past achievements:

- ❖ 1982 MRCHA Futurity Champion
- ❖ 1983 IRCHA Maturity Champion
- ❖ 1984 NCHA Top Ten Novice Horse
- ❖ 1985 ICHA Futurity Champion
- ❖ 1985 and 86 SBF finalist
- ❖ 2017 Reserve Champion SCCHA Hi-Point Horse
- ❖ 2017 Champion Jr. Horse WRCA World Championship Finals

Jack is excited about this opportunity to give back to those who have so heroically served our country. God Bless America and God Bless our Wounded Warriors!!
